**BACKGROUND**

This report is submitted to the Emergency Advisory Committee (Emergency Management Bylaw 02-22 establishing Council as the Emergency Advisory Committee) in accordance with the requirements outlined in Canadian emergency management legislation, the Alberta Emergency Management Act, and the Local Emergency Management Regulation (LEMR). As mandated by the LEMR, the Emergency Advisory Committee is responsible for annually reviewing the Emergency Management Agency report and the overall Emergency Management (EM) program.

The purpose of this report is to provide a comprehensive overview of the activities and accomplishments of the Leduc County Emergency Management Agency in 2024. It highlights key initiatives, training, and collaborative efforts that align with our mandate to enhance community safety, resilience, and preparedness.

By reviewing this report, the Emergency Advisory Committee fulfills its obligation under the LEMR to ensure that Leduc County maintains a robust and compliant Emergency Management program. The activities outlined in this document address the hazards identified in the County's Hazard Risk Vulnerability Assessment (HRVA), including the Edmonton International Airport (EIA) as a key priority hazard, and reflect our ongoing commitment to mitigating risks and fostering partnerships for effective emergency response and recovery.
