BACKGROUND

All the fire guardians that have been appointed by Council have the power to administer the Act, however there are certain fire guardians that have been appointed for fire suppression, fire suppression support, enforcement and technical support.

The reason for the other designations is to allow for the municipal government to administer the Act in the event of an emergency.

There are 14 residents, 7 Councilor's, 1 County Manager, 27 Fire Services, 5 Enforcement, 3 Public Works, 3 Agricultural Services and 1 Fire Administrative support staff. That is a total of 61.
