

Leduc Community  
**Hospital Foundation**

CELEBRATING 30 YEARS | 1993-2023

## VISION

A community in which individuals are healthy and well.

## MISSION

The Leduc Community Hospital Foundation mobilizes the power of volunteers and the generosity of donors and partners to elevate the health and wellbeing of the community.

# ABOUT US

We are a registered charity guided and governed by a dedicated, volunteer Board of Trustees.

The Executive Director, who reports to the board, is responsible for the day-to-day operations and administration.

# OUR PEOPLE

A small but mighty team

## Board of Trustees

Christina Forth, Chair  
Camille Bailer, Vice-Chair  
Lynette Hayden, Treasurer  
Ali Gibbon, Secretary  
Kirsha Campbell  
Besy Candray  
Kristina Dembinski  
Brenda Reimer  
Roger Villa

## Staff

Colleen Zimmerman  
Executive Director  
Kailey Cardwell  
Social Media & Marketing

## Volunteers

More than 30 dedicated people who aid and assist us throughout the year

# WHAT WE DO

Since 1993, we have worked with community partners to enhance services at local health care facilities.

We raise and distribute funds to support health care in our community.

# SUPPORTING HEALTH CARE

From a microwave in a family lounge at the hospital, to palliative care initiatives, medical unit enhancements or state-of-the-art high-tech equipment such as the CT scanner, no need has been too big or small.

And now a new opportunity is on the horizon.

# AN EXCITING OPPORTUNITY

## Leduc Community Hospital Emergency Room Renovation -Project Scoping Study-

Our community is growing and the need for an extensive ER renovation is important to the future of emergency care in our community.

A project scoping study and report is the essential first step in undertaking such a significant capital project.

The Foundation can expedite this step by funding the study (vs. AHS pursuing it through internal channels).

# AN EXCITING OPPORTUNITY

## Leduc Community Hospital Emergency Room Renovation -Project Scoping Study-

AHS has estimated the study will cost up to \$35,000.

Organizations and municipalities are experiencing the impact of current fiscal constraints – it is not possible for a single group to fund the study and report.

The Foundation is seeking partner funding to complete this study in 2024 with the cost split between the Foundation, the City of Leduc and Leduc County.

Other foundations in Alberta have used this approach to expedite and support much-needed capital projects in their communities.

# YOUR CONTRIBUTIONS

Leduc County has been a committed supporter of the Foundation.

- Sponsoring the Charity Golf Classic –
- Attending and promoting our events –
- Major sponsor of ‘Bringin’ the Country Back’ drive-in concert –
- Designated \$2750 to the Foundation for 2024 –

**Thank you!**

# OUR REQUEST

In addition to the \$2750 already committed, we are requesting an additional **\$8950** in funding support from the County for the project scoping study for the Emergency Room (ER) renovation at the Leduc Community Hospital.

# QUESTIONS?

# THANK YOU

We value our relationship with you and look forward to your continued support.
